

November 6, 1957

The Ibex Company
Box 752
Breckenridge, Texas

Dear Sir:

This will acknowledge receipt of you C-101 on
Resler Yates State, Well #19, 1840/N 2390/E, in sec
28-18S-28E Eddy County, New Mexico.

You were granted permission to re-enter this well.
However, at the hearing you gave the footage as 1850'
from the North line and 2900' from the West. There is
a 10 Ft. difference each way.

Please send me 3 copies of C-128 if you have them
available.

We will also need C-103 transferring this well from
Resler & Yates to you.

Yours very truly,

OIL CONSERVATION COMMISSION

M. L. Armstrong,
Supervisor, District No. 2

MLA/jn

1. Introduction

The purpose of this study is to investigate the effects of the proposed system on the performance of the system.

The results of the study are as follows:

The proposed system has been shown to have a significant positive effect on the performance of the system. The results of the study are as follows:

The proposed system has been shown to have a significant positive effect on the performance of the system. The results of the study are as follows:
