Re: Cowell State Lease
Artesia QG SA Pool
Eddy County

Gentlemen:

On October 13, 1969, we filed Form C-103 as Notice of Intention to Plug and Abandon for well No. 11 on the subject lease to begin approximately October 28, 1969. Inasmuch as we have been unable to begin plugging the well, we would like the previous allowable restored to the well for the months of November and December.

Very truly yours,

J. M. Denson
Assistant District Manager
of Production
