O. C. C.
ARTESIA, OFFICE

Artesia Field
Levers State No. 14
Section 4, 18-28

This is to advise that subject well, drilled originally by Ohio Oil Company and designated as their No. 1 New State (St.), was obtained by the Ibex Company and later by American Petrofina Company of Texas. However, the well was plugged and abandoned prior to its acquisition by Ibex and it has never been reentered either by Ibex or any subsequent lease owners.

Very truly yours,

J. M. Denson
Asst. District Manager of Production

Attention: SFOCC File Clerk

This well was plugged many many years ago before adaquet records were kept. There is no plugging report available for this well

Very truly yours,
