

OPERATORS OIL COMPANY

214 DANIEL BUILDING
TULSA, OKLAHOMA

February 3rd, 1928

Mr. R. L. Halley,
Oil & Gas Inspector,
Artesia, New Mexico,

Dear Sir:

Replying to your favor of the first, will say that we have not the information for making the reports that you desire at this time. However, we hope to have it in a very short time and will forward them as soon as possible. We are presuming that you refer to our Aaron #1 which is in NW $\frac{1}{4}$ of NE $\frac{1}{4}$ of 4-18-28 and does not follow the description as given by you. It is our information that the NW $\frac{1}{4}$ of NW $\frac{1}{4}$ of 4-18-28 is controlled by the Ohio Oil Co.

As per your request, we are enclosing herewith a copy of affidavit which contains a log of this well.

Hoping that we will be able to get this matter all straightened out at an early date, we are,

Yours very truly,

Operators Oil Co.
