Tulsa, Oklahoma.

Dear Sir: Attention: R. D. Paulger

This will acknowledge receipt of your letter of November 30th, 1931 and enclosed copies of Form SG-107 "Operator's Monthly Reports of Operations", for the period of August 1930 to September, 1931 inclusive.

Apparently, these reports are incorrect inasmuch as the township of the leases is given as 8 South. This should be 18 South, instead.

Please make proper corrections on these reports and send them to Mr. J. D. Hunter, State Oil & Gas Inspector, Carlsbad, New Mexico. Mr. Hunter is the inspector having supervision over the area in which these leases are situated. Future reports should be sent directly to Mr. Hunter instead of to this office.

Very truly yours,

E. H. Wells,
State Geologist
