Gentlemen:

On June 16, 1960, a survey was made to locate your No. 1 location on the State "BK" lease at a point 330 feet from the North line and 1941.06 feet from the West line of Section 5, Township 18 South, Range 28 East, N.M.P.M., Eddy County, New Mexico. Said well location is also described as being 330 feet from the North and 660 feet from the East lines of the NE $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 5.

A flag was set at the USGLO Section corner common to Sections 31, 32, 5 and 6, and the Transit was set up at the USGLO Quarter corner marker common to Sections 32 and 5. Thence chaining S88°55'W from Transit a distance of 660 feet to a point, thence S0°15'W a distance of 330 feet to the location site of the State "BK" No. 1. As a check on our survey we chained S88°55'W a distance of 1941.06 feet to the West boundary of Section 5, thence N0°15'E a distance of 330 feet to the Section corner common to Sections 31, 32, 5 and 6, checking in within the allowable error for this survey.

I hereby certify that the foregoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

John W. West
