NEW MEXICO OIL CONSERVATION COMMISSI

MISCELLANEOUS NOTICES

SE/4

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the restricted is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.
