RECEIVED

NOV 18 1959

D. C. F.
ARTESIA, OFFICE

Pan American Petroleum Corp.
Hobbs, New Mexico.

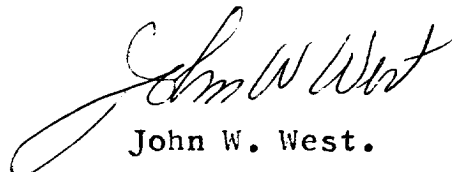

Gentlemen:

On November 11, 1959, a survey was made to locate your State of New Mexico "BB" No. 3 oil well at a point 1980 feet from the west line, and 660 feet from the north line of Section 6, Township 18 South, Range 28 East, N.M.P.M., Eddy County, New Mexico.

The transit was placed over the Northwest corner of Section 6 of said Township and Range, and a flag was placed over the North quarter corner marker of Section 6; thence chaining along the north boundary line of Section 6, at a distance of 1980 feet we set a 2 inch by 2 inch wood hub, from which we chained along the north boundary line of said section a distance of 745.14 feet to the above mentioned quarter corner. Thence from our 2 inch by 2 inch wood hub we turned a deflection angle of 91° 08' right and chained a distance of 660 feet to the location. To check we double chained our distances.

I hereby certify that the foregoing survey was made in the field by me and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

John W. West.
