Re: Levers A State Well No. 1-B,
8-18-28, Artesia Pool, Eddy
County, New Mexico

Gentlemen:

We note that the production from the subject well has been shown on the September and October Form C-120, Monthly Injection Report, for the Artesia Project No. 1. As this well does not appear to be directly or diagonally offset by an injection well, it should not be included on the report.

We will correct the reports now in our files. Please drop this well from future reports for the Artesia Project No. 1.

If there are any questions on this matter do not hesitate to call me.

Very truly yours,

OIL CONSERVATION COMMISSION
