* * 2 * * sand/frag & clean out

(INDICATE ABOVE BY CHECK MARK NATURE OF REPORT, NOTICE, OR OTHER DATA)

October 10, 1955

Well No. **1-Bess** is located **1650** ft. from **[N]** line and **330** ft. from **[W]** line of sec. **21**

SW 1/4 Sec. 21 (1/4 Sec. and Sec. No.) **T. 18 S.** (Twp.) **R. 29 E.** (Range) **N.M.P.M.** (Meridian)
High Lonesome (Field) **Edley** (County or Subdivision) **New Mexico** (State or Territory)

The elevation of the derrick floor above sea level is **3647** ft.

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

Propose to clean out well to total depth of 3163 ft. Run electric log and will plug back and test the Grayburg-San Andres pay around 2900 ft. If not productive will plug back again and test the Queen (Red Sand) formation at approximately 1800 ft.

Approval must be obtained from this office prior to the running and cementing of any casing.

U. S. Geological Survey
Artesia, New Mexico

RECEIVED
OCT 10 1955

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Address **Box 1587**

El Paso, Texas

By **Edward C. Donohue**

Title **Operator & Owner**

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the specific requirements for record-keeping. It states that all transactions must be recorded in a timely and accurate manner, and that the records must be maintained for a minimum of five years. It also discusses the importance of ensuring that the records are accessible and can be easily reviewed.

3. The third part of the document discusses the role of the auditor in verifying the accuracy of the records. It states that the auditor must perform a thorough review of the records to ensure that they are complete and accurate. It also discusses the importance of the auditor's independence and the need for the auditor to report any discrepancies to the appropriate authorities.

4. The fourth part of the document discusses the consequences of failing to maintain accurate records. It states that individuals or organizations that fail to comply with the record-keeping requirements may be subject to fines, penalties, or even criminal prosecution. It also discusses the importance of the public's confidence in the financial system and the need for strict enforcement of the rules.

5. The fifth part of the document discusses the importance of ongoing education and training for individuals involved in record-keeping. It states that individuals must stay up-to-date on the latest regulations and best practices to ensure that they are maintaining accurate records. It also discusses the importance of the role of the auditor in providing guidance and support to individuals.
