CASING RECORD

It is of the greatest importance to have a complete history of the well. Please state in detail the dates of redrilling, together with the reasons for the work and its results. If there were any changes made in the casing, state fully, and if any changes were made in the pump, state the date, size, position, and number of the pump. If the well has been dynamited, give date, size, position, and results of pumping in testing of pipes. If pipes or bridges were put in the test for water, state kind of material used, position, and results of pumping in testing of pipes. If pipes or bridges were put in the test for water, state kind of material used, position, and results of pumping in testing of pipes.
