Dear Mr. Yarbrough:

In reply to your letter of November 20, relative to the bond and intention to drill (form Cl01), I am enclosing a copy of the notice of intention to drill, filed with your department October 14, 1939. Kindly return said notice as soon as you have examined same.

Regarding the drilling-bond on the State No.2 B 5524, I am enclosing a copy of a letter from Oil Conservation Commission, Santa Fe, dated October 3, 1939, in which said Oil Conservation Commission released prior \$5,000 bond and acknowledged and approved \$10,000 blanket bond furnished by Martin Yates III.

Kindly advise me if there is any additional information which I can furnish which will be of any help in clearing up these two matters.

Very truly yours,

Martin Yates III
