

NEW MEXICO OIL CONSERVATION COMMISSION
Santa, Fe, New Mexico

MISCELLANEOUS NOTICES

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the work is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

Title

1941
The following information was obtained from the records of the
Department of the Interior, Bureau of Land Management, on
the subject of the land owned by the United States in
the State of California, and the same is being
furnished to you for your information.
The land owned by the United States in the State of
California is divided into two classes, namely, the
public domain and the land reserved for the benefit of
the people of the State. The public domain consists of
the land owned by the United States which has not been
reserved for the benefit of the people of the State.
The land reserved for the benefit of the people of the
State consists of the land owned by the United States
which has been reserved for the benefit of the people of
the State.

The land reserved for the benefit of the people of the
State is divided into two classes, namely, the land
reserved for the benefit of the people of the State and
the land reserved for the benefit of the people of the
State. The land reserved for the benefit of the people of
the State consists of the land owned by the United States
which has been reserved for the benefit of the people of
the State.

The land reserved for the benefit of the people of the
State is divided into two classes, namely, the land
reserved for the benefit of the people of the State and
the land reserved for the benefit of the people of the
State. The land reserved for the benefit of the people of
the State consists of the land owned by the United States
which has been reserved for the benefit of the people of
the State.
