

**ATTENTION: Mr. I. R. Trujillo**

The last form in this file was a supplement written 6/17/63 (A 43) on which the lease was referred to as "Dunn C". The only other papers we have in this file are as follows:

C-110 filed January 13, 1960 - dated November, 1942, which shows lease name "Dunn C Fed."

Federal form (Log of Oil or Gas Well) filed in 1942, which shows lease name "Dunn".

Hereafter, only forms which read as the attached C-110 reads will be accepted.
