Re: L. C. 061701

Gentlemen:

Receipt is acknowledged of your "Notice of Intention to Drill Deeper" well No. 3 Ballard "B" on the subject land in the SW $\frac{1}{4}$ SW $\frac{1}{4}$, section 8, T. 18S., R. 20E., Loco Hills Field, Eddy County, New Mexico.

The attached application is approved as of this date under the following conditions:

1. Furnish a percentage sample log covering formations drilled from present depth to new total depth.
2. Submit a subsequent report of drilling deeper together with a log on form 9-330 after adequate production tests have been made.
3. If a liner is run without cementing from top to bottom, a packer between tubing and liner will be required.

Very truly yours

John A. Frost
