

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

Notice of Intention to Drill

Notice must be given to the Oil Conservation Commission or its proper agent and approval obtained before drilling begins. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to the sender. Submit this notice in triplicate. One copy will be returned following approval. See additional instructions in Rules and Regulations of the Commission.

Smith, New Mexico

Place

December 7, 1939

Date

OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico.
Gentlemen:

You are hereby notified that it is our intention to commence the drilling of a well to be known as State

Aston & Fair ~~Franklin Petroleum Corporation~~ State Well No. 1 in SMITH

Company or Operator Lease
of Sec. 11, T. 18 S, R. 29 E, N. M. P. M., Loco Hills Field, Eddy County

N.

The well is 1650 feet ~~xx~~ (S.) of the North line and 2310 feet

(E.) ~~xx~~ of the East line of Sec. 11-18 S-29 E

(Give location from section or other legal subdivision lines. Cross out wrong directions.)

If state land the oil and gas lease is No. B-6570, Assignment No. _____

If patented land the owner is _____

Address _____

If government land the permittee is _____

Address _____

The lessee is _____

Address _____

We propose to drill well with drilling equipment as follows: Cable tools

Wichita Spudder: Contractor Aston & Fair

The status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the Commission is as follows: Blanket bond is in process

We propose to use the following strings of casing and to land or cement them as indicated:

Size of Hole	Size of Casing	Weight Per Foot	New or Second Hand	Depth	Landed or Cemented	Sacks Cement
10"	8 1/4"	28#	S. H.	525	Cemented	50
8"	7" OD	20#	New	2525	"	100

If changes in the above plan become advisable we will notify you before cementing or landing casing. We estimate that the first productive oil or gas sand should occur at a depth of about 2650 feet.

Additional information:

OIL & GAS INSPECTOR

Title

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud. The text also mentions the need for regular audits and the importance of having a clear chain of custody for all documents.

2. The second part of the document outlines the specific procedures for handling financial records. It details the steps for recording transactions, from initial entry to final review. It also discusses the importance of keeping records secure and the need for proper disposal of old records. The text mentions that records should be kept for a minimum of five years and that they should be stored in a secure, fireproof location.

3. The third part of the document discusses the importance of having a clear understanding of the financial system. It emphasizes that all personnel involved in the system should have a thorough understanding of the procedures and the importance of their role. The text also mentions the need for ongoing training and the importance of having a clear line of communication between all levels of the organization.

4. The fourth part of the document discusses the importance of having a clear understanding of the financial system. It emphasizes that all personnel involved in the system should have a thorough understanding of the procedures and the importance of their role. The text also mentions the need for ongoing training and the importance of having a clear line of communication between all levels of the organization.

5. The fifth part of the document discusses the importance of having a clear understanding of the financial system. It emphasizes that all personnel involved in the system should have a thorough understanding of the procedures and the importance of their role. The text also mentions the need for ongoing training and the importance of having a clear line of communication between all levels of the organization.

6. The sixth part of the document discusses the importance of having a clear understanding of the financial system. It emphasizes that all personnel involved in the system should have a thorough understanding of the procedures and the importance of their role. The text also mentions the need for ongoing training and the importance of having a clear line of communication between all levels of the organization.
