SUPPLEMENT TO THE OIL PRODUCTION SCHEDULE

1940-1941

1. The following is a list of the oil fields in the State of New Mexico which are producing oil in the year 1940-1941. The list is based on the information furnished by the oil producers to the Bureau of Oil Conservation, New Mexico, during the year 1940-1941.

2. The list is divided into two parts: (a) oil fields which are producing oil in the year 1940-1941, and (b) oil fields which are not producing oil in the year 1940-1941.

3. The list is arranged in alphabetical order of the names of the oil fields.

4. The list is subject to change without notice.
