Attention: Mr. R. R. Aston

Dear Mr. Aston:

We acknowledge receipt of your Forms C-103, C-104, C-105, and C-110 on the State-14 Well No. 7 in the Artesia Pool, and your approved copies are enclosed herewith.

It is my understanding that you maintain a file in both the Leco Hills office and Roswell office, so I will send a set of these forms to Mr. Rogers at Leco Hills.

Now, about the attached Form C-103, Report of Sandoil Treatment, on your Yates "A" Lease, Well No. 5-A in the SW/SW, Sec. 6-183-30E, this well is on federal land and you should report this job to the U. S. G. S. office here in Artesia on their Form 9-331a. However, we are very pleased to have this report for our file, and I called the U. S. G. S. office here and the lady said she would type up a set of forms and mail them to you for filling in the report and your signature.

Yours very truly,

OIL CONSERVATION COMMISSION
