Memorandum:

The subject well was granted an exception to Rule 1C, Commission Rules & Regulations, by Order No. E-2098. Further, the order provided; "That during the period of the exception granted by this order the applicant shall conduct monthly gas-oil ratio tests on said well and shall file the results thereof with the Antesia Office of the Commission. Applicant shall also report each month on said gas-oil ratio tests the casing pressure on said well after a 24 hour shut-in period."

The results of these tests should be filed on Form C-116 by the 15th of each month. Please file the report for December immediately.

If you have any questions concerning this matter do not hesitate to call upon me.

Very truly yours,

OIL CONSERVATION COMMITTEE
