17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

In accordance with NMOCC Order No. R-2846, we propose to convert the above well to a water injection well in the Culwin Queen Unit Waterflood. No remedial work will be performed at this time. The well bore and 2" tubing will be cleared of paraffin and scale deposits and a tension type packer will be set at approximately 3060' and water will be injected into existing perforations.
