Gentlemen:

We received your Form C-127, requesting an increase in the allowable for the above mentioned well.

The last paperwork we received on this well was in May, 1983, show-  
what you intended to do.

Before we can increase the allowable, we will need something showing  
what has been done to increase the production of said well.

Very truly yours,

Leslie A. Clements  
Supervisor, District II
