Gentlemen:

According to Form C-103, recently submitted, the subject well has been shut-in since 5-11-66. However, on December 16th we received the enclosed Form C-116 dated 12-9-74 showing a test on 8-15-74 and the well located in the Grayburg Jackson Pool. Therefore, we are returning the enclosed Form C-116 for clarification.

If you have any questions concerning this matter please feel free to call upon me.

Sincerely yours,
