PS 3415-49 + 3467-3535

Connected to Ling. 1969. set Pkr @ 3301 -

started chg. log + Pkr - they started - stuck Pkr - milled and to 2125

Could not recover - set Pkr @ 2090 + returned to ling.

now wants P + A

need to get junk out of hole

called 7-26-79 They are now on

to clean out junk C-103 on the way

G. m. h. #1. 200 SX C - 2% CC.
