Unit 0, Sec. 8-18S-31E

Dear Sir:

This will acknowledge receipt of form C-104 Request for Allowable on the above mentioned well.

As per our conservation I am returning them for corrections to be made.

We will also need form C-110 on this well before the allowable can be assigned.

Yours very truly,

OIL CONSERVATION COMMISSION

Dear Sir:

Enclosed for you are two copies of the report of the investigation of the fire at the Hotel New Yorker, New York City, on January 1, 1938.

Very truly yours,
J. Edgar Hoover
Director

cc - Mr. Clegg

The following is a summary of the findings of the investigation:
The fire at the Hotel New Yorker, New York City, on January 1, 1938, was caused by a gas furnace in the basement of the hotel.

The cause of the fire was a gas leak from the furnace which had been caused by a faulty gas valve.

The fire was extinguished by the fire department and no one was injured.

Very truly yours,

J. Edgar Hoover
