Re: Johnson No. 1 Well, Sec. 7,
T-18-S, R-27-E

Gentlemen:

This is to confirm your recent telephone conversation with this office regarding the above-captioned well.

You are hereby authorized to proceed with logging, perforating fracturing and completing your Johnson No. 1 Well; provided, however, it is understood that you proceed entirely at your own risk. Under no circumstance is the above-captioned well to be produced until the unorthodox location of said well has been approved by the Oil Conservation Commission of New Mexico.

If you have any questions concerning this matter, please do not hesitate to call on me.

Very truly yours,

A. L. Porter, Jr.
