Dear Sir:

Thank you for your letter of August 21 with which you returned one copy of Form C-116 (Gas-Oil Ratio Report).

We regret that through inadvertence the enclosures which were to have gone to Humble with their copy of our letter of August 19 were forwarded to you and vice versa. We are informed by Humble that yesterday they sent to you all copies of the forms which they had received, and we are furnishing them with additional file copies.

Would you please be so kind as to return to us the copies of C-116 with the approved copies of C-104 and C-105, in order that they may be forwarded to Hobbs?

Many thanks for your patience and understanding, and we sincerely regret the inconvenience we have caused you.

Very truly yours,

NEARBURG & INGRAM
