Gentlemen:

We have received no communication regarding the above-captioned well since June 17, 1959, at which time you proposed to re-enter and correctly plug this well. Please inform this office immediately of the present status of the well. If the well has been plugged, please submit three (3) copies of form C-103 (Plugging Report), and six (6) copies of form C-105 (Well Record). Regardless of the status of the well, you must submit form C-105.

Please submit the above forms to this office within ten days, else appropriate action will be taken.

Very truly yours,
