In Re: McNutt State Well No. 1
Unit M, 21-18S-28E
Eddy County, New Mexico

Dear Mr. Armstrong:

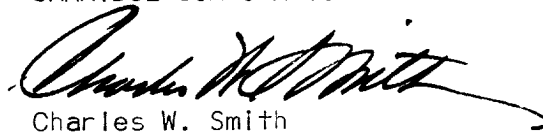

In accordance with the instructions in your letter of May 3, 1960, we are enclosing Form C-103 and C-105 indicating the well has been plugged and abandoned.

It is my understanding that Mr. Paul Darnell discussed the plugging of this well with you on October 27, 1959, at which time you approved the proposed plugging operations.

In the event you should need any additional information on this well, please let us know.

Yours very truly,

GRARIDGE CORPORATION
