

August 24, 1940

Thomas H. McClure
State Engineer
Santa Fe, New Mexico

Dear Sir:

We have a copy of your letter to E. C. Minton, Jr.,
Artesian Well Supervisor, Roswell, New Mexico, dated August 8th,
and in which you acknowledge receipt of the application for oil
test of Martin Yates, III to deepen oil test from 2300 to 2400
in SW SW Section 28, township 18 South, Range 28 East.

In the above mentioned letter, you also state that
there is no record of our Notice of Intention to Deepen Well in
the office of the Oil Conservation Commission. We have this
said "Notice" marked Received as of July 26, 1940 by the Oil
Conservation Commission at Hobbs, New Mexico, Oil & Gas
Inspector. Enclosed you will find a copy made from this report
we have which has been received in the office of the Oil Conserva-
tion Commission.

If this is not sufficient to clear up this matter,
please let us hear from you by return mail.

Very truly yours,

MARTIN YATES, III
Bassett & Birney et al
By
