Gentlemen:

In connection with the Release and Surrender of Sublease executed in favor of Depco, Inc., Husky Oil Company and Yates Brothers under date of April 10, 1967, and delivered to you covering State Lease No. 647 insofar as it covers and embraces the above-described lands in Eddy County, New Mexico, the New Mexico Oil Conservation Commission, Artesia office, has contacted us with regard to the present ownership and for the filing of form C-104 in connection with said lands and wells Nos. 52 and 132 thereon.

In checking the Regulations of the Oil Conservation Commission (Rule 1104), we find that this form has to be filed by the new Operator. Therefore, we are requesting that this form be filed by you as soon as possible as we have no further interest in the Sublease or in said Lease 647 insofar as it covers and embraces the above-described lands and wells.

Yours truly,
