OFFICE OF STATE GEOLOGIST
SANTA FE, NEW MEXICO

December 21st, 1934.

Mr. F. J. Vesely,
State Oil & Gas Inspector,
Carlsbad, New Mexico.

Dear Mr. Vesely:

This is in reply to your letter of early
in December, regarding Mr. J. C. Caston and the
old Seven Rivers well.

I believe that Mr. Livingston discussed
this situation with you. It is probably a good
policy to proceed rather slowly with such programs
at the present time.

Yours very truly,
