Dr. E. H. Wells
State Geologist
Santa Fe,
New Mexico

Dear Dr. Wells:

Mr J. C. Caston, Box 972, Artesia, tells me that the well of the old Seven Rivers out-fit has not been plugged. The well is in W¹₂NW¹₄ Sec. 29 T.18 S., R. 28 E.

Mr. Caston is willing to plug the well for the casing. Due to the fact that he has a state lease on this tract (B-2237 assignment #1) I told him to go ahead.

Hoping this meets with your approval.

Very truly yours,

P.S.

Caston at one time had an agreement with the Seven Rivers Co. to do this, and is going to try to look up some of the remaining members, in Artesia, so that he will have a clear title to the pipe.
