Gentlemen:

Thank you for your letter of March 20, 1959 regarding the above two wells.

We had forgotten that these two wells were unorthodox locations and would need commission approval. The next time we have to appear before the Commission in Santa Fe on some other matter, we will have a hearing on these two wells at the same time.

Very truly yours,

GRANRIDGE CORPORATION

Dear Sir:

The above mentioned wells are unorthodox locations and we cannot find where these wells have been approved through a hearing, if so please notify us. If they have not been approved I believe you can contact Mr. Porter, in the Santa Fe OCC office and he may give you administration approval to re-enter the wells.

Yours very truly,

OIL CONSERVATION COMMISSION
