RE: Condensate Sales  
South Hope Unit No. 1  
K-30-18S-23E  
Eddy County, New Mexico

Gentlemen:

Approximately 90 barrels of condensate has been collected while testing the South Hope Unit No. 1 Well. In our previous letter of March 11, we requested that an allowable be issued with the Permian Corporation for this amount. In further communication with our Crude Oil Sales Section, we find that this condensate sale was negotiated with Scurlock Oil Company, 1501 Houston Club Building, Houston, Texas. We request that this 90 barrels of condensate allowable be canceled from the Permian Corporation and be issued to Scurlock.

We are sorry for this inconvenience and appreciate your cooperation.

Sincerely,

SUNRAY DX OIL COMPANY

R. D. Hill  
District Office Manager
