Re: Commission Order R 2578

Gentlemen:

As the result of the above referenced Commission order the following well(s) currently appearing in the Undesignated Section of the Proration Schedule will be listed in the following described pool(s) effective December, 1963.

South Leo-Queen-Grayburg
State E 1819, #2 G, 36-18-29

The effective date of Commission Order R 2578 extending the vertical limits of the South Leo-Grayburg Pool to include the Queen formation is November 1, 1963, and further separation of the production of this well from the others on this lease is unnecessary.

Please file Form C-110 for each listed well with this office showing the change in pool designation.

Very truly yours,
