Re: Form C-105

Gentlemen:

Please note we are returning your Forms C-105 for additional information, since we feel that water was encountered please show as nearly as possible these depth in "Important Water Sands" section. Further, one additional copy of the well record is required.

Very truly yours,

OIL CONSERVATION COMMISSION

Re: Form C-102

Comments:

Please note we are returning your Form C-102 for additional information, since we feel that water was overestimated. Please show as nearly as possible these data in "Unconsolidated Water" section. Further, one additional copy of the well record is required.

Very truly yours,

JOHN CONSERVATION COMMISSION
