Attention: Mr. John Hastings

Gentlemen:

Reference to your request of February 13, 1968.

You are hereby authorized to conduct reservoir evaluation back pressure tests on the following wells:

Hope Unit #1 J-10-100-337
South Hope Unit #1 K-20-100-232
South Hope Unit #2 J-20-100-212

It is understood that you will vent a maximum of 20 MCF of gas from all three of the above mentioned wells and that the tests will be conducted in accordance with the procedure attached to your request letter.

Very truly yours,

ELMER A. UTE
Ceo Engineer
