Maljamar State #1--B,
Section 36-18-31
Undes. Maljamar Pool

Dear Mr. Ellis:

We are herewith returning the latest copies of Form C-104. Which you sent us covering the subject well. Form C-104 should be submitted only upon initial completion of a well, recompletion of an old well in a new pool correcting erroneous information on original filing. Reports of subsequent work on a well in the same pool are reported on Commission Form C-103. Requests for increased allowable are made on Commission Form C-127 or C-116 noting the cause for the increase on the form. Form C-116 must be used on pools where annual Gas-Oil Ratio Tests are required, as in the Maljamar Pool.

Very truly yours,
