Dear Sirs:

This second directive is to notify you that these wells are still in violation of Rule 201.

On 25 September, 2001 a letter was sent notifying you on the violation of Rule 201. An inspection on 15 January, 2002 found no action has been taken.

These wells must be brought into compliance on or before 25 February, 2002.

Failure to bring this well into compliance by the date stated will cause further enforcement. Such enforcement can be an order to Show Cause why the bond should not be forfeited, the well plugged and civil penalties assessed.

Sincerely,

Van Barton
