Gentlemen:

Thank you for your note of September 13, 1965 regarding our Marathon State #1 (36-18S,28E) and the Forms C-103 and 105.

Please advise us if we should file a separate Form C-103 for Commence Drilling Operations, each string of casing and the Plug and Abandonment report. These reports were incorporated on one form as we have done this in the past and the forms were approved.

With reference to the cleaning up of the location, this has not been done as we plan a re-entry at an early date.

Very truly yours,

Frank W. Podpechan
