12. If a well is plugged or temporarily abandoned, it may state all pertinent notices, and give pertinent dates, including estimated date of starting or completion of work. SEE RULE 1123.

This well has not produced since June, 1971, although some rework has been performed in an attempt to get commercial production.

The equipment is still in place.

Prospective new owners of this property at December 31, 1974 have definite plans to attempt to produce this well with remedial work.

13. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
