County, New Mexico

Dear Mr. Younger:

You may recall that on September 25, 1968, we spoke of the need for the filing of Form C-103, covering the latest acid treatment, and Form C-122, Multi Point Back Pressure Test, for the subject well. To date these reports have not been filed.

Your cooperation in having the required reports filed at an early date will be appreciated.

Very truly yours,
