Re: Marathon Oil Company,
Anderson State No. 1Y-G,
Section 14-18-24, Wildcat
Upper Pennsylvanian Gas
Pool

Dear Mr. Read:

It is our understanding that you have assumed the operation of the subject well. However, this office has not yet received the required report of this change. Further, by letter of July 17, 1968, Mr. Norman L. Stevens, Jr. advised us that the well was to be reacidized. To date we have not received a report on this work.

Please file 3 copies of Form C-104 showing the change in operator and 3 copies of Form C-103 reporting the acid treatment. As this is a shut-in gas well, only sections I, II and VI of Form C-104 should be completed.

Enclosed you will find 3 copies of Form C-123. Please complete and return 2 copies of this form.

Very truly yours,

OIL CONSERVATION COMMISSION
