17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

After circulating cement on 7" surface casing the cement had fallen back 100' from the surface. Ran temperature survey and found top of cement approximately 100' from the surface. Filled to top of the surface with 15 sacks of Incor mixed with sand.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
