RE: Yates Petroleum Corporation
Wilkinson "AZ" No. 2
Section 25-18S-25E - Eddy County, New Mexico

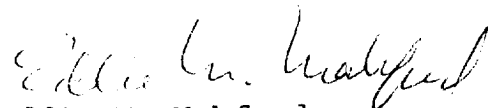

Dear Mr. Gressett:

In regard to the above caption well, on October 31, 1969 we filed Form C-103 to convert this well to a Salt Water Disposal Well.

At this time Gerard No. 2 SWD will take care of all of the produced water in this field and it is not necessary at this time to convert the Wilkinson "AZ" No. 2 to a SWD.

Yours truly,

Yates Petroleum Corporation

Engineer
