REPORT OF THE OIL CONSERVATION COMMISSION

REPORT OF THE OIL CONSERVATION COMMISSION
FOR THE YEAR 1934

The Commission was organized on January 1, 1934, under the provisions of the Oil Conservation Act, Chapter 10, Laws of 1933. The Commission has since that time been actively engaged in the study and investigation of the oil resources of the State, and in the promotion of measures for the conservation of the same.

The Commission has held numerous public hearings and has received many suggestions from the public. It has also conducted extensive geological and geophysical surveys, and has secured a large amount of valuable information regarding the oil resources of the State.

The Commission has also been actively engaged in the promotion of measures for the conservation of the oil resources of the State. It has issued numerous orders and regulations, and has taken many steps to enforce the same.
