17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

December 15, 1978

The cellar of the subject well was dug out and the outlet of the braden head was exposed. One opening from the braden head was connected to a second valve at the surface. All connections and fittings are high pressure as outlined in OCC Rule 115. The well was inspected by Mr. Mike Williams, OCC Field Supervisor.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.

SIGNED Jim Mungar
