Re: ARCO-Federal #1-D, 5-18-31
Undesignated (Grayburg)

Gentlemen:

In our letter of August 26, 1970 concerning descovery allowable on the subject well, we asked for additional time to study the area. It is our opinion that the evidence does not justify a new pool designation. If appropriate, it is requested that this well be included in the Grayburg-Jackson Pool.

Enclosed are copies of all electrical and radio - activity logs run on this well.

Yours very truly,

THE EASTLAND OIL COMPANY
