Re: Federal J Well No.1-M,
21-18-24, Wildcat Morrow
Gas Pool, Eddy County,
New Mexico

Gentlemen:

Enclosed are three (3) copies of Commission Form C-123. Please complete and return two (2) copies requesting a pool designation for the subject well. The returned forms should be accompanied by one set of the mechanical logs run on the well as required by Commission Rules & Regulations.

Please be advised that no allowable may be assigned this well until a new Form C-102, Well Location and Acreage Dedication Plat, has been filed showing the dedication of 320 acres to the well. Further, the well's non-standard location must be approved at a hearing, before the Commission, in Santa Fe, see Rule 104,B,1, (b) Commission Rules & Regulations.

If there are any questions on these matters, please do not hesitate to call upon me.

Very truly yours,

OIL CONSERVATION COMMISSION

R. L. Stamets
