

CORTEZ CONTINUED

10) CONTINUED

- a hearing was held on Sept 13, 1978 - Case 6316 Order R-5807
Conty + Aetna Casualty & Surety Company - to appear in Shaw Court
hearing. Conty was ordered to P&A well or return to production
on 2/1/79. Ltr from MS Jeschendorf to Conty wrote
that if well was put back on production terms of
R-5807 would be satisfied this was in response of ltr
received by MS Jeschendorf from Conty Corp dated 1/24/79
where they promised to put well on prod. - no action
apparently was taken.
- on 4/25/80 - Ltr from E.S. Padilla to Green & Foster concerning
whether they could get release of bond - they were notified that well was
not P&A
- on 6/20/80 - Ltr from MS Richardson again to Green & Foster concerning
concerning the same question on release of bond.
- on 2/26/81 - Ltr from E.S. Padilla to Conty requesting a
P&A procedure in 10 days. This is the last communication
in well file.

11. Last official form filed with the OGC was on April 17, 1975
a C-104 - Change of operator from Bill Jones Oil Co to Conty Corp
12. Ltr from Lynn V Parris & Order R-5807
13. Yes - due to Csg failure etc.
14. Release pressure was open & Csg could fail
